

Cameron + Ross

Civil + Structural Engineering

Apprentice Civil & Structural Technician

Aberdeen

We are currently looking for an Apprentice Civil & Structural Technician to join our office in Aberdeen. Applicants should be motivated, keen to learn and to work as part of a team. Training will be provided, so whilst construction knowledge or experience is preferable, it is not essential.

Applicants should have Higher Maths, Higher English and Higher Graphic Communications.

Training in the role will be provided with day release to attend college to undertake a HNC in either Built Environment or Civil Engineering.

Applications marked 'Private and Confidential' should be forwarded to: Lynne Shepherd with email address of lshepherd@cameronross.co.uk

Cameron + Ross are a well-respected Civil and Structural Consultancy, with offices in Aberdeen, Inverness and Edinburgh. We carry out a wide variety of different engineering design and appraisals roles in the construction industry. The work carried out by us is largely office based, but visiting sites around Scotland is part of the work scope. Our website is www.cameronross.co.uk for more information.
